Review:

1. Why does it matter that the Pathway to Salvation was fully **known** by Jesus?

Jesus knew the pathway to salvation was filled with the horrors of the cross, and yet He went forward because of **His love** for us, even though we were His enemies. *Romans 5:8,10*

2. Why does it matter that the Pathway to Salvation was **not understood** by the disciples?

Matthew 16:21-23

If the disciples who spent 3 years with Jesus were told by Him that He was to suffer at the hands of the religious leaders, be killed and raised the third day, and yet they **dismissed** it, you must be careful not to **dismiss** what you have heard the Word of God say.

3. Why was it necessary for the Pathway to Salvation be a **condemnation** of the innocent Jesus?

Romans 8:3

We stood condemned in our sin and only Jesus, the perfect sacrifice, could take our condemnation and be our substitute to satisfy **God's wrath** against us.
